Dear Sir,

Re: Our Order dated 16-12-39 placed with Pingris et Mollet Fontaine, Lille, France, for an Absolute Alcohol plant.

We wish to invite a reference to our letter No. F-1/9844 of 17th April 1940 to the Development Secretary to Government reporting the action taken to obtain additional plant for the manufacture of absolute alcohol at the Mandya Sugar Factory. The original plant was obtained from Messrs. Pingris et Mollet Fontaine, Lille, France, through their agents The Mirrlees Watson Co. Ltd., Calcutta. The order for the additional plant was placed in December 1939 with the same firm and through the same agents. The cost of the entire equipment comprised in the order is £ 7,660/- F.O.B. Antwerp. A few small later additions bring up the cost to £ 8,095/- F.O.B. Antwerp. According to the terms of the contract, 40% of the value was payable at the time of placing the order. A sum of £ 3,064/- has accordingly been paid to the firm through Messrs. Coutts & Co., London, on 2nd March 1940 and the latter was also instructed to pay a further sum of £ 134/- to make up the full 40%.

In view of the war situation in Europe, we inserted the following condition in the contract:-

"In view of the present international situation, we are aware that owing to causes beyond your control, the execution of the order may be imdefinitely delayed. This order is subject to the condition that in case you are for any reason whatever, unable to completely deliver the entire plant in one lot within one year from the date of receipt of this order by your Principals in Lille by cable or cannot after the expiry of one year guarantee complete delivery within a reasonable period not exceeding 3 months, then this order shall be liable to be cancelled and that you agree to refund to us the initial payment made by us."

This condition was accepted by the firm.

As Lille has fallen into the hands of Germany, we have now little hope of obtaining the plant. On 29th May 1940, Messrs. Mirrlees Watson Co. Ltd., wrote to us as follows:-

"By this mail we received information that due to the precarious position of Lille with regard to the present conflict, our Principals have taken the necessary measures to enable them to reorganize their services in another location which, they stress, will enable them to pursue their usual activities without trouble. We understand that necessary arrangements have been made to have the majority of the work, finished and unfinished, forwarded to this new site in France and that they have high hopes of eventually completing all orders.

In this transfer there will, of course, be unavoidable delay before they can even approach their normal activities, so they ask for your indulgence during this period and that you do not become unduly alarmed should their correspondence with you be irregular for some time to come.

They promise us further news as early as possible and we trust in the near future to be able to definitely let you know that their works have been safely moved and that the orders they had in hand for you are under full production. "

Later on, Messrs. Mirrlees Watson Co.Ltd., wrote on 24th June 1940 as follows:-

"We deeply regret the last definite news we had from our Principals, Messrs. Pingris et Mollet Fontaine, was air mail letters from Lille dated as having been posted from there on the 18th ultimo. Since then, as you are aware, very drastic changes have taken place in France and we in this Office are utterly unaware if Messrs. Pingris et Mollet Fontaine succeeded in removing their works, and very much doubt if under existing circumstances this has been of any avail. In an endeavour to find out we cabled Lille but as expected we have received nn reply. As a final resort we cabled our Head Office in Glasgow a few days ago asking if they could give us any information regarding the actual situation. To date we have had no reply to this. "

We have now asked Messrs. Mirrlees Watson Co. Ltd., Calcutta, to take action to get us a refund of the initial payment of £ 3,198/- made by us but there is very little hope of our getting satisfaction on this matter. The amount involved is large and we are writing this letter to request that Government may be pleased to take steps to have our claim registered with the British Government and take such action as may be possible to obtain for us a refund of this money paid by us, as soon as may be practicable.

Since writing the above, we have today received another letter on the subject from Messrs. Mirrlees Watson Co. Ltd., Calcutta, a copy of which also we are enclosing herein for your perusal.

Yours faithfully,
THE MYSORE SUGAR CO. LTD.

Dear Sirs,

CNE 4TH TECHNIQUE ABSOLUTE ALCOHOL PLANT
& LATER ADDITICNS.

We have your letter No. F-1/824 of the 24th instant, regarding the above. We are copying your letter and sending it to Glasgow. You will understand that we imagine you will have to wait until the war is over before any question of refund of your money can be considered.

At the present moment we would inform you that we have already some time back written Glasgow regarding your position, and have asked them to let us know if any arrangements have been made in London to deal with cases of this sort. You are aware that assets in banks have been frozen by both countries and unless conditions change, we feel it will be extremely difficult to do anything at any rate in the meantime, as if some exchange of assets were to take place, the listing and putting ~~up~~ in order of the whole affair in detail is bound to take a long time. We will advise you as soon as we hear from Glasgow, and meantime we would wish to record how sorry we are that you, such good friends of ourselves, should have funds tied up in this manner.

When Mr. Mackie comes down on general business, the whole position can be discussed with your goodselves, but at the moment we think it only fair to advise you that we can see no immediate prospect of your getting back your money.

Yours faithfully,

For THE MIRRLEES WATSON CO. LTD:

their agents in India The Marconi Wireless Co Ltd Calcutta. According to the terms of the Contract the Co has paid to the Firm 40% of the Value i.e £ 3198 at the time of placing the order. A Condition as below was also inserted in view of the War Situation.

That in case the Firm is unable to completely deliver the entire plant in one lot within one year from the date of receipt of this order then this order is liable to be cancelled and the initial payment to be refunded.

The French firm is not able to fulfil the Contract, since they have had to remove their Works, as seen from the letters of the Agents in India M/s Marconi Wireless. The Co has requested this Govt to take steps to have their claim registered with the British Govt and take such action as may be possible to obtain a refund paid by them. as soon as may be practicable.

In this Connection the following facts are submitted for consideration.

Only recently the Govt of India have notified all French Territory in Europe including Corsica as Enemy Territory. (Flag Q)

None of the French Firms have been declared as Enemy Firms for the purposes of the Defence of India Rules. The present French Firm cannot be considered to be an Enemy Firm.

The Govt of India have declared German & Italian Firms having branches throughout the World (vide notification placed below) and some of the firms which have branches in India have been declared as such and their contract taken over by the Controller of Enemy Property. There is provision for the Controller being intimated of claims (for record by him) against the Enemy Firms having branches in India

In the present case it is difficult to suggest that the Firm can be considered as an Enemy Firm. Further they have no branch in India. Mirrlees Watson, an English Firm, is their Agent for India. As such the claim cannot be intimated to the Controller for Enemy Property for India who is the Controller in Mysore also, for record.

It is seen from the letter of the Agents that they have addressed their Glasgow office whether any arrangements have been made in London to deal with cases of this sort.

It is not quite clear from the letter whether the Contract is with the French Firm direct or with their Agents in Calcutta. In the first instance it may perhaps be better to get a copy of the Contract for Scrutiny by the Law Secty whether there is any cause of action against the Agents in Calcutta and whether the Agents are liable to refund the amount [illegible] for perusal and orders

Returned with compliments

The agents at Calcutta, Messrs. Mirrlees - Watson & Co., Ltd., would ordinarily be liable on a contract with a foreign principal in the absence of any contract to the contrary (section 230 of the Indian Contract Act), but here, the agents have signed "for and on behalf of ATELIERS PINGRIS Et Mollet Fontaine Reunis", vide: copy of letter dated 22-12-1939. Besides, money has been paid to the principals, Messrs. Pingris et Mollet Fontaine, vide: Sugar Company's letter dated 2nd August 1940 addressed to the Chief Secretary to Government. So, it may not be correct or equitable to hold the Agents at Calcutta, Messrs. Mirrlees Watson & Co., liable to refund the amount advanced.

I think two courses may be followed in the order of preference mentioned below:-

(1) The Agents at Calcutta who procured the order may be requested to pay the Sugars the amount, setting off this sum against what they may owe their principals. The Agents are at least morally bound to oblige their customer to this extent which does not cause them any pecuniary loss.

(2) The Trade Commissioner for Mysore in London may be requested to get into touch with the Comptroller of Enemy Firms to register the claim to participate in the assets of Lille firm available to satisfy their creditors.

I think the agents, The Mirrlees Watson Co., Ltd., Calcutta, are liable under S.230 of the Contract Act. The Government Advocate opines that the liability does not exist for two reasons, viz.,:-

(1) the agents have signed for and on behalf of Atellers Pingris et Mollet Fontaine Rennis,

and (2) the money was paid to the principals, Messrs. Pingris et Mollet Fontaine.

There is nothing special about them. In every contract entered into through an agent, the money will be paid to the principal either directly or through the agent, who in law is bound to remit or account to his principal for the amounts collected. These two factors do not take away the contract from the operation of sec.230, of the Contract Act. Admittedl the contract is made by the agent for sale of goods for a merchant resident abroad. Hence the agent, unless there is a contract to the contrary, is personally liable. Moreover the order is placed with the agent on the express condition of his being liable to return the amount if the goods are not delivered. While accepting the order, the agents did not exclude their personal liability which s.230 of the Contract Act imposes on them. The Sugar company may well try to enforce the contract against the agents. In addition to that, the claim may be registered with the Director General of Commercial Intelligence and Statistics as in an allied case of sandal oil dues in France. Dear Sirs,

OUR ORDER NO. 1819 - YOUR ORDER NO. 796/39-40

We acknowledge with thanks receipt of your Letter No.F-1/6111 of 16th December, enclosing your order with us for one Fourth Technique Absolute Alcohol Plant and one Pure Yeast Apparatus. We also confirm having cabled this order to our Principals on receipt of your letter, but regret that until now we have not received a reply giving us the increased cost of the Pure Yeast plant.

Your order is all in order, but we would point out that with regards delivery we cannot guarantee to ship this complete plant in one load. At the present time the French Government controls all shipping leaving France, so that one has just to take space on whichever steamer is offered by them, and invididual firms have no control over how much space they can obtain at a time. We will, however, do our best to have all this material shipped by the same steamer.

Again thanking you for this order,

Yours faithfully,

Sir,

With reference to the correspondence ending with your letter No.F.1 dated 30th September 1940 on the above subject, I am directed to state that, ~~so far as Govt. can understand from~~ (seems to indicate that) the correspondence, the contract was made by the agents, The Mirrlees Watson & Co Calcutta, for sale of goods for a merchant resident abroad, and further, the order was placed with the agents on th express condition of their being liable to retur the amount if the goods are not delivered. While accepting the order, the agents do not ~~seem~~ appear to have excluded their personal liability ~~imposed on them~~ under section 230 of the Contract Act. In the circumstances, it ~~seems that the~~ may be possible to hold the agents ~~may be held~~ personally liable and it is open to the Sugar Company to try to enforce the contract against the agents.

In addition, the claim may also be registered with the Director General of Commercial Intelligence and Statistics Calcutta in the manner indicated in the Press Note of the Govt of India.(copy enclosed)
